# **Tequipment Cayman**

**Accessories for the Cayman model range**

# Tequipment

**The desire to define one's individuality is in everybody's nature.  
And in the hands of our engineers.**

A striking design. Uncompromising driving dynamics. Down to the last detail. Introducing the Cayman, a mid-engine coupé with a personality all of its own. Few vehicles can match it for the pure sportscar experience. Close to the road, far from conventional. In every respect. It is a Porsche, after all. There is simply no substitute.

Just like the Porsche Tequipment range of accessories. Each component not only has to be visually appealing, it also has to be technically compatible. That is why all the model-specific products in the Tequipment range have been developed, tested and formulated with the complete vehicle in mind. By the same Porsche engineers and designers who create the cars.

All this takes place primarily at the Porsche Development Centre in Weissach, Germany – from design through to launch. Every product undergoes exhaustive testing throughout its development to ensure optimum performance and durability. This is because they have to meet the highest standards of Porsche quality and functionality.

One of the highlights of the range is the sports tailpipe. Painstakingly crafted from stainless steel, it has a polished, nanocoat finish.

As part of its development, the sports tailpipe underwent extensive testing in our Weissach facility. In the hot-shaker test rig it was subjected to various load profiles and its stability under the effect of road and engine vibrations was examined. The sports

tailpipe was then placed in the salt chamber to prove its resistance to heat and eliminate all possibility of discolouration. Acoustic measurements were carried out and the sound pattern checked out on the test track.

As we've already said, there is no substitute for Porsche Tequipment. Whichever Tequipment products you ask your Porsche Centre to fit, one thing remains unchanged: your original vehicle warranty.

You can find out more about the Porsche Tequipment range at [www.porsche.com](http://www.porsche.com).

## Exterior

**A Cayman may not conform,  
but it does live up to your expectations.**

A stunning coupé silhouette with a powerful, imposing look. The Cayman meets the highest demands, not only aesthetically, but also in terms of dynamic driving performance. When it comes to exterior styling, however, particular

importance is also placed on designing the Cayman to satisfy the most demanding expectations: yours. With the Porsche Tequipment range of accessories, you can make your Cayman look even more dynamic. The Cayman Aerokit, for

example, not only gives your car an even more striking look, it further enhances driving stability.

Cayman Aerokit

Cayman Aerokit

### **Cayman Aerokit**

There is always room for improvement as far as track performance is concerned. The same applies even to the Cayman, which is why we designed the Cayman Aerokit. Optimised in the Porsche wind tunnel, its components improve aerodynamics and reduce lift coefficients on both axles. The

front spoiler lips and the fixed rear spoiler deliver an even more stable drive and give your Cayman an even sportier appearance.

Please note that the ground clearance is reduced. Front spoiler lips and rear spoiler may not be fitted separately for aerodynamic reasons.

### **Rear apron grilles**

What a difference a single detail can make: grilles with GT Silver Metallic paint finish on both sides of the rear apron – for an even sportier look.

Rear apron grilles

Decorative side logo

**Decorative side logo**

One of the first models with the decorative logo on the side was the legendary 911 Carrera RS 2.7 in 1972. This original lettering now adorns the flanks of the 911 GT3 RS models. Why not be part of the legend?

Decorative side logo available in selected colours for the Cayman and Cayman S.

**Exterior package in matt Aluminium Look**

This package consists of front air intake grilles (left/right) and side air intake grilles. The parts are painted in a matt Aluminium Look finish and emphasise the striking lines of the Cayman.

**Spoiler lips in matt Aluminium Look**

These matt Aluminium Look front spoiler lips bring added sporting style to the front of the Cayman.

**Exterior mirror lower trims in matt Aluminium Look**

Like you, we pay maximum attention to every detail. That includes the individual touches, for example, the matt Aluminium Look trims on the lower section of the exterior mirror covers.

For further product information and part numbers, please refer to the Tequipment Cayman price list.

19-inch Carrera Sport wheels with summer tyres

## Wheels

Do you find the wheels unconventional? How fitting.

We've got chassis design down to a fine art, but this takes dedication. The chassis of the Cayman is no exception. The suspension is not only firm, it's sporty, too. Feedback is precise, steering is immediate –

enhanced by fitting the correct wheels, which are an integral part of the chassis. With wheel sizes of up to 19 inches available, the road ahead simply opens up before you. Built on dedication, the relationship between your Cayman and the road is made to last.

### **19-inch Carrera Sport wheels with summer tyres**

Classic 10-spoke alloy design. Wide dimensions at front and rear (8.5 and 10 inches, respectively) create a larger contact patch. As well as enhancing the car's presence on the road, this improves driving dynamics. The visual effect

is further augmented by the centre spokes in GT Silver Metallic and the high-gloss polished outer rim.

19-inch 911 Turbo II wheels with summer tyres

**19-inch 911 Turbo II wheels with summer tyres**

These forged alloy wheels with summer tyres are both imposing and dynamic-looking. The reduction in unsprung masses makes an important contribution to driving stability.

**19-inch 911 Turbo wheels with summer tyres**

Forged aluminium alloy wheel with lightweight five-spoke design. The distinctive two-tone finish brings additional character.

**19-inch SportDesign wheels with summer tyres**

Derived from the world of Porsche motorsport, this powerful 19-inch multi-spoke wheel design has a firm place on the racetrack.

**19-inch SportDesign wheels in a black high-gloss finish with summer tyres**

An eye-catching superior 19-inch SportDesign wheel in a black high-gloss finish, including black-painted wheel centres with full-colour Porsche Crest.

19-inch 911 Turbo wheels with summer tyres

19-inch SportDesign wheels with summer tyres

19-inch SportDesign wheels in a black high-gloss finish with summer tyres

19-inch Carrera S II wheels with summer tyres

19-inch Carrera Classic wheels with summer tyres

**19-inch Carrera S II wheels with summer tyres**

The design of the 19-inch Carrera S II wheel is as sporty as it is powerful. It speaks a language which suits your Porsche completely.

**19-inch Carrera Classic wheels with summer tyres**

Elegantly sculpted alloy wheel with classic Porsche five-spoke design. The large wheel openings provide a clear view of the Porsche brake system.

**18-inch Cayman S II wheels with summer or winter tyres**

One-piece five-spoke alloy wheels. When fitted with winter tyres, they ensure excellent traction even in wintry weather conditions.

18-inch Cayman S II wheels with summer or winter tyres

18-inch Boxster S II wheels with summer or winter tyres

17-inch Cayman II wheels with winter tyres

**18-inch Boxster S II wheels  
with summer or winter tyres**

18-inch Boxster S II wheels with five closed twin spokes. Whether fitted with winter tyres for excellent traction in wintry weather conditions or with summer tyres, these wheels suit the Cayman perfectly.

**17-inch Cayman II wheels  
with winter tyres**

Five-spoke wheels in a sporty design. With winter tyres they provide better traction at low temperatures.

**17-inch Boxster III wheels  
with winter tyres**

One-piece alloy wheel with striking design comprising five dual-arm spokes. Provides excellent cold-weather traction in conjunction with winter tyres.

For further product information and part numbers, please refer to the Tequipment Cayman price list.

See pages 20 to 23 for wheel and tyre specifications.

- Compatible
- Not compatible
- <sup>1</sup> Optional: Use of 5-mm spacers on front and rear axles to widen track.

The wheel centres shown are not included, except in the case of the 19-inch SportDesign wheels in a black high-gloss finish. If your vehicle documents do not contain details of the wheel and tyre combination, please request a technical approval certificate from your Porsche Centre.

All tyres are designed exclusively for Porsche as indicated by the special Porsche designation (N0, N1, etc.) on the sidewall. Tyres that do not carry this designation are not recommended for use on your Porsche.

### Note on the use of winter tyres

Summer tyres provide optimum performance at ambient temperatures above +7 °C. Below this point, the tyre compound begins to harden and braking distances are increased. We therefore recommend that you fit winter tyres during the colder months of the year. Only then can you enjoy the highest standards of active safety from your Cayman. All winter tyres approved by Porsche are identified by an 'N' designation on the sidewall.

- Compatible
- Not compatible
- <sup>1</sup> Optional: Use of 5-mm spacers on front and rear axles to widen track.
- <sup>2</sup> Winter tyres up to max. 240 km/h.

The wheel centres shown are not included, except in the case of the 19-inch SportDesign wheels in a black high-gloss finish. If your vehicle documents do not contain details of the wheel and tyre combination, please request a technical approval certificate from your Porsche Centre.

Snow chains

### Snow chains

Specially designed for Porsche models and featuring ultra-fine links for minimal adhesion of ice and snow.

Not compatible with wheel spacers.

### Wheel centres

Set of wheel centre caps with full-colour Porsche Crest. The

perfect finishing touch for any Cayman wheel.

For 19-inch Carrera Sport wheel in a GT Silver Metallic finish.

For 19-inch 911 Turbo II wheel in a titanium-coloured paint finish.

For 19-inch 911 Turbo wheel with monochrome Porsche Crest.

For 19-inch SportDesign wheel in a black high-gloss finish with full-colour Porsche Crest.

### Wheel bolts in black

Set of 20 wheel bolts, including 4 with highly secure locking system. Available in two different versions for vehicles with and without 5-mm spacers.

### Anti-theft wheel protection

Set of four steel bolts with highly secure locking system.

### Crested valve caps

Silver-coloured valve caps with embossed Porsche Crest.

### Spacers

Wheel spacers create a wider track for enhanced stability and presence on the road. When fitted, your Cayman will look even sportier, as the wheels run virtually flush with the body of the car.

Not suitable in conjunction with 19-inch Carrera Sport wheels, 19-inch Boxster Spyder wheels or snow chains.

For further product information and part numbers, please refer to the Tequipment Cayman price list.

Spacers

# Performance

**Conform? Never.**

**Especially regarding sportiness, design, engine sound...**

An athletic build, a low centre of gravity, excellent weight distribution. And this athlete's heart beats in just the right place: in the middle. In short, the Cayman was designed to accomplish extraordinary feats

of strength and endurance. Yet there's still plenty of scope for improvement – in appearance, performance and sound. In other words, its potential is just waiting to be unleashed.

Sports bucket seat

### Sports bucket seat

With integral thorax airbag, manual fore/aft adjustment and folding backrest. The backrest shell is made from plastic reinforced with glass fibre and carbon fibre with a stylish carbon-weave finish. Available in black leather with embossed Porsche Crest on the headrest, or in black flame-resistant material.

Child seats must not be used with the sports bucket seats.

### Sports exhaust system (not shown)

The typical Porsche sound – powerful, robust, sporty. Better still, it can be further enhanced using this sports exhaust system. The package also includes the sports tailpipe.

Some models may require additional components. (Please see fitting and conversion instructions.)

### Sports tailpipe

Distinctive, stainless-steel twin tailpipe with polished, nanocoat finish. Gives a sporty look to the rear of your Cayman.

### Short shifter

This short-throw mechanism provides a faster, more accurate gearshift action and a more dynamic sportscar experience. Compatible with all gear lever options.

### Fuel filler cap with Aluminium Look finish

This elegant accessory is a stylish addition inspired by our racing heritage. Modelled on filler caps from historic race vehicles, it has an engraved 'PORSCHE' logo and securing tether.

### Sport mode retrofit package (not shown)

Can be activated at any time to provide an even sportier set-up for the engine and (in conjunction with PASM) for the chassis. If combined with PCM, the package includes memory functions for lights, wipers, air conditioning and door locks. If combined with PDK, it features the Launch Control (racing start) function and the motorsport-derived gearshift strategy.

For further product information and part numbers, please refer to the Tequipment Cayman price list.

# Interior

**Plenty of space,  
but don't expect to find room for  
the conventional or the routine.**

From the very first glance, you just know the Cayman is a Porsche. The same applies to the interior. Here, everything is functional and stylish – a logical continuation of the exterior. The interior presents the ideal opportunity to express your own

personal taste. We have a range of elegant, high-quality materials to help you, including macassar wood, carbon, aluminium or Alcantara, all of which can even be combined.

Carbon interior

### **Macassar wood**

Macassar ebony is dark and distinctive with a modern, elegant look. The deep black heartwood has reddish-brown lines and a dramatic, marble-like texture.

Since wood is a natural product, there may be variations in colour and grain.

### **Carbon**

Carbon fibre is an extremely light, yet highly robust material used extensively in motorsport. Its sporty look is the ideal complement to the car's race-bred engineering.

### **Aluminium**

Use this stylish metal or our special Aluminium Look finish to create striking interior highlights that evoke the purity of race car design.

Macassar wood

Carbon

Aluminium

Alcantara

Multifunction steering wheel rim in carbon

**Interior package**

Includes multifunction steering wheel rim (not airbag module) as well as gear lever/PDK<sup>1</sup> gear selector and handbrake lever. Available in macassar wood or carbon.

<sup>1</sup>7-speed Porsche Doppelkupplung (PDK).

**Door trim package**

Includes door handle facings and door storage compartment lids. Available in macassar wood or carbon.

**Dashboard trim package**

Dashboard trim strips and cup-holder cover. Available in macassar wood or carbon.

**Rear centre console**

Rear centre console including ashtray cover. Available in macassar wood, carbon or Alcantara.

The illustrations on pages 34 and 35 show the interior trim packages in carbon.

PDK gear selector and handbrake lever in carbon

Door trim package in carbon

Dashboard trim package in carbon

Rear centre console in carbon

Padded Alcantara multifunction steering wheel

Gear and handbrake levers in Alcantara

**Padded Alcantara steering wheel**

Alcantara – non-slip, robust and easy to care for. This makes it the ideal material for covering sports and multifunction steering wheels (excluding airbag module).

**Gear lever/PDK gear selector and handbrake lever in Alcantara**

This package emphasises the close links Porsche has with motorsport. It includes a gear lever/PDK gear selector in black Alcantara with a matching handbrake lever. A fine finishing touch: aluminium inlay with 'PORSCHE' logo.

**Storage compartment lid with Porsche Crest**

The lid of the centre console storage compartment is finished in leather to match the interior trim and embossed with a Porsche Crest. Decorative seams complete the high-quality look.

Storage compartment lid with Porsche Crest

SportDesign steering wheel for PDK

**SportDesign steering wheel**

This steering wheel adds a sporty touch and is available for vehicles with manual transmission or PDK. In conjunction with PDK, it has two gearshift paddles, the right-hand paddle shifts up and the left-hand paddle shifts down. Both versions are available in leather or Alcantara.

**PDK gear selector and handbrake lever in aluminium**

The package features a specially designed PDK gear selector and handbrake lever in aluminium. Gear selector inlays and the upper section of the handbrake lever feature leather trim in the interior colour.

**Gear and handbrake levers in aluminium I**

The package contains specially designed gear and handbrake levers in aluminium. Gear lever inlays and the upper section of the handbrake lever feature leather trim in the interior colour.

**Rear centre console with Aluminium Look finish**

Create a stylish highlight with this Aluminium Look finish on the centre console and ashtray cover.

PDK gear selector and handbrake lever in aluminium

**Door trim package with Aluminium Look finish**

Evoke the purity and simplicity of race car design with these Aluminium Look door trim elements. Includes door handle facings and door storage compartment lids.

Gear and handbrake levers in aluminium I

Rear centre console with Aluminium Look finish

Door trim package with Aluminium Look finish

Sports-style footrest

**Sports-style footrest**

Robust footrest with stainless steel surround. Matches the look of the standard pedals.

For left-hand drive vehicles only.

**Cruise control (not shown)**

Automatic speed control for the 30–240 km/h speed range. Operated using a button on the control stalk.

**Rubber floor mats**

Two attractive tailored floor mats. Non-slip and waterproof.

**Floor mats with nubuck edging**

Precision down to the last detail: made-to-measure floor mats with nubuck edging and inlay and embroidered 'PORSCHE' logo, which have a waterproof backing and are non-slip. They are secured by a special fastener system.

**Sun/privacy screen**

Protects against direct sunlight and at the same time provides additional privacy.

Rubber floor mats

Floor mats with nubuck edging

Sun/privacy screen

Door sill guards in carbon

Door sill guards in carbon, illuminated

Door sill guards in stainless steel

Door sill guards in stainless steel, illuminated

### Door sill guards

A sporty and striking effect. Whether you choose door sill guards in carbon or stainless steel, they provide a stylish and dramatic finishing touch. If you select illuminated door sill guards, the white illuminated model logo is a further highlight.

Available with 'Cayman' or 'Cayman S' logo.

For further product information and part numbers, please refer to the Tequipment Cayman price list.

Universal audio interface

## Audio and communication

Yet another of Porsche's many strengths: non-verbal communication. The Cayman is a technical masterpiece. Engine, transmission, chassis. Only the highest standards are acceptable. Everything is perfectly in tune. Just like the audio and communication technologies from Porsche Tequipment, which turn your Porsche into a mobile

communications centre. All designed to keep you fully informed, to ensure you reach your destination and, of course, to enhance your driving pleasure.

### PCM including navigation module and CD/DVD autochanger

The central information and communication system with a 6.5-inch

touchscreen is easy to operate. The radio has an FM dual tuner with RDS function. The CD/DVD drive plays CDs and audio DVDs and is MP3-compatible. Audio playback of video DVDs is also supported. The GPS navigation system has a hard drive containing map data for most European countries. Other features include

dynamic route calculation, a 3D map display and automatic route recording.

### Universal audio interface

For vehicles with PCM, the storage compartment in the centre console will contain three connections: one for an iPod®, one for a USB stick/MP3-player and one as an AUX

interface for any chosen compatible audio source. The iPod® or USB stick can be operated conveniently and safely via PCM, the multifunction steering wheel or the voice control system.

For vehicles with the CDR-30 audio system, the centre console storage compartment will contain an AUX

interface for connecting a compatible audio source. The volume is adjusted using the controls on the CDR-30 audio system, other functions are operated using the controls on the external audio source itself.

Porsche Vehicle Tracking System (PVTS)

**Porsche Vehicle Tracking System (PVTS)**

Enables remote location of a stolen vehicle in 27 European countries as well as in Russia and South Africa. Location is not continual, but occurs only in the event of an alarm. A silent alarm is automatically triggered if the car is stolen or tampered with, or after notification from the vehicle owner. In addition to the extra

security offered by this system, it may also, depending on the country, reduce your insurance premium. The system has been tested using multiple simulated thefts in 27 European countries and Russia and the service has been adapted to fully meet Porsche quality requirements. Your Porsche Centre will be happy to provide you with further information.

Only for vehicles with optional factory-fitted preparation for Porsche Vehicle Tracking System (PVTS).

A separate contract with the service provider recommended by your Porsche Centre is required, which is subject to additional charges.

Cordless handset for telephone module

**Cordless handset for telephone module**

Handset display and separate keypad for making telephone calls discreetly.

**Voice control system (not shown)**

Almost all of the functions of PCM can be activated by voice control. The system recognises commands or figure sequences irrespective of the speaker. It

gives audible feedback and guides you through the functions. Without needing to 'train' the system, phone book entries can be retrieved, a radio station selected or the navigation destination entered directly by speaking whole words rather than dictating just one letter at a time.

Only in conjunction with PCM.

**Navigation update (not shown)**

Map update (Model Year 11) for your navigation system.

Please consult your Porsche Centre for information on the data version of your PCM.

Electronic logbook

Telephone module

### Electronic logbook<sup>1</sup>

The optional electronic logbook enables automatic recording of mileage, route distance, date and time, starting point and destination as part of every journey. Once you have downloaded the logbooks from PCM via Bluetooth® or the optional USB interface, you can evaluate the data on your home PC using the software supplied.

### Telephone module<sup>1</sup>

Available as an option, the GSM quadband telephone module offers convenience and excellent reception. By inserting a SIM card directly into the PCM's integral SIM card reader, calls can be made using either the hands-free facility or the optionally available cordless handset. For even more convenience, the Bluetooth® capability of a mobile phone can be used to make calls.

### Mobile phone preparation<sup>1</sup>

To enable a Bluetooth® connection for those mobile phones that only support the Handsfree Profile (HFP)<sup>2</sup>, an optional hands-free facility is available. With HFP, PCM acts merely as a hands-free system and can be used to control only the basic functions of the phone. The GSM connection is established through the aerial of the mobile phone.

For further product information and part numbers, please refer to the Tequipment Cayman price list.

<sup>1</sup> Only in conjunction with PCM.

<sup>2</sup> Information on compatible mobile telephones is available from your Porsche Centre or visit [www.porsche.com](http://www.porsche.com).

Mobile phone preparation

## Transport and car care

**After an intensive training session, it's time to give your body some well-deserved care.**

The Cayman. An uncompromising sports car. In terms of performance and also when it comes to transport. Thanks to the child seats from Porsche Tequipment, you can safely carry passengers who are under

12 years of age. You can carry plenty of luggage, too. The Cayman boasts a luggage compartment capacity of 410 litres – 150 litres at the front and 260 litres at the rear.

Of course, you can also tailor your Cayman to suit your own transport requirements and make it even more practical, whatever the weather.

# Child seats

Every Porsche is designed not only to deliver supreme performance, but also to protect what's most important: its occupants. Nevertheless, you can make the journey even safer for your little ones by fitting child seats from Porsche Tequipment.

### Porsche child seats

Porsche child seats meet strict safety standards. Specially designed, tested and approved for Porsche cars, they provide protection and comfort to passengers up to 12 years of age. The fabrics are breathable and easy to clean with a removable and washable cover in black and grey with a contrasting

red trim. The Porsche child seats can be fixed conveniently and safely on the front passenger's seat using a preparation kit or the three-point belt system. For increased safety, the Porsche Baby and Porsche Junior Seat ISOFIX have an independent five-point belt system.

### Child seat preparation for front passenger's seat

Includes ISOFIX mounting points between the backrest and squab on the front passenger's seat, as well as a key-operated deactivation system for the front passenger airbag. The front passenger airbag must be deactivated if carrying a child up to 27 kg.

Deactivating the front passenger airbag

Child seat preparation for front passenger's seat

Child seats*	Model	Group	Weight	Age
	Porsche Baby Seat ISOFIX, G 0+	0+	up to 13 kg	up to approx. 18 months
	Porsche Junior Seat ISOFIX, G 1	1	9 to 18 kg	approx. 9 months to 4 years
	Porsche Junior Plus Seat, G 2 + G 3	2 + 3	15 to 36 kg	approx. 3½ to 12 years

\* The use of a child seat on the front passenger's seat is permitted only in conjunction with child seat preparation. Child seats must not be used with the sports bucket seats.

Roof transport system

Ski/snowboard carrier

Bike carrier

Roof box

## Transport and car care

### Roof transport system

Versatile base carrier offering maximum roof load of up to 60 kg. Compatible with a wide range of load-carrying attachments. Includes anti-theft security caps and locks.

Rear hatch opening may be partially reduced when carrying longer roof loads (e.g. roof box).

### Ski/snowboard carrier

Two versions are available: one for up to four pairs of skis or up to two snowboards, and one for up to six pairs of skis or up to four snowboards.

### Bike carrier

Lockable carrier for standard adult bikes up to a maximum frame-tube diameter of 85 mm. Up to three

bike carriers can be mounted on the roof transport system.

### Roof box

Lockable plastic roof box with 310-litre capacity and integrated ski-holder. Can be opened from either side of vehicle. Dimensions: L 2,260 x W 550 x H 380 mm.

Indoor car cover

**Indoor car cover**

Tailored indoor cover made from breathable, antistatic and dirt-resistant fabric. With full-colour Porsche Crest and logo.

**Outdoor car cover**

Tailored outdoor cover in silver-coloured fabric with Porsche Crest and logo. Water-repellent and breathable, it provides excellent protection against a range of

weather conditions including strong sunlight. With anti-theft protection.

Only for vehicles without Cayman Aerokit.

**Luggage partition**

Easy to fit, this robust partition grille prevents luggage from sliding forwards into the passenger compartment.

**Luggage net (not shown)**

Secure smaller items at the rear of the car with this handy luggage net. Attaches to four lashing eyelets on the engine cover or in the rear luggage compartment.

**Cargo liners**

Waterproof and easy-to-clean loadspace liners offering tailored protection for the front and rear luggage compartments. The front liner has integral carry handles, making it ideal for transporting items such as shopping or sports equipment to and from the car.

Wheel cleaning kit

**Wheel cleaning kit**

Care products and brush set for alloy wheels. Cleaning fluid also available separately as a refill.

**Porsche Charge-o-mat II**

Battery charger with charge maintenance and monitoring function. An adapter is available for vehicles without cigarette lighter.

**Microfibre cleaning cloth**

For gentle and efficient cleaning of the PCM touchscreen and other delicate surfaces in the interior of your Porsche.

Contains three microfibre cloths.

**Ice scraper**

Practical accessory featuring aluminium telescopic handle

enabling easy removal of ice and snow from your Porsche. Integral rubber lip for removing water.

**Interior care kit**

Contains velour cleaner, leather cleaner and conditioner, glass cleaner and accessories.

**Car-care case**

Aluminium case containing high-quality car-care products specially approved for your Porsche. Includes insect remover, shampoo, paintwork polish, wax, glass cleaner and leather cleaner. All products are also available separately.

For further product information and part numbers, please refer to the Tequipment Cayman price list.
