Accessories for the new Boxster model range

**To dream, you don't need  
to close your eyes.**

Thinking laterally and breaking boundaries. Never standing still and never making do. Continually striving to improve every last detail and always highly motivated. These are characteristics that distinguish not only you, but also the Porsche development team in Weissach. Whether it's the designer or the engineer, each member of the team is committed to getting the best out of absolutely everything. The results are cars beyond compare.

Nevertheless, all Porsche models leave scope for further personalisation. Thanks to the model-specific products available from Porsche Tequipment, you can refine your car to your unique taste after you have taken delivery. All Porsche Tequipment products are designed with the complete vehicle in mind and by the same Porsche engineers and designers who also develop the vehicles themselves.

As with the cars we create, all our after-market accessories undergo rigorous testing during their development. From design through to approval, we thoroughly scrutinise important properties, from safety to performance and from fitness for purpose to durability. After all, they are more than just accessories, they are part of a harmonious overall concept – your Porsche.

The same applies to one of the highlights in our range: the 20-inch SportTechno wheels painted in GT Silver Metallic. The sizes of the wheels and tyres have been maximised so that they finish flush with the body of the car and give it an even more imposing appearance. As a mark of refinement, the spokes and rim have a highly polished surface finish. The wheel centres with full-colour Porsche Crest are

available with a GT Silver Metallic paint finish.  
  
Whether you wish to enhance its performance, refine its style or add comfort features, it is never too late to give your Porsche an extra personal touch.

For peace of mind, you can rest assured that your original warranty will not be affected.

## Contents

**How fascinating:  
the more you change it,  
the more it becomes like you.**

A Porsche is often a decision for life.  
Two-thirds of all Porsche cars ever built  
are still being driven today. That's not by  
chance, it's because they are cherished  
and well cared for by their drivers.

Even a relationship as solid as this one  
can welcome change once in a while.  
A few tasteful refinements can freshen  
your car's appearance and make it even  
more emotive and expressive.

The Porsche Tequipment range of accessories helps you to make your Boxster even more unmistakable and charismatic. Are you thinking about some new wheels or do you like the look of our sports tailpipes? These are products that will reinforce the sporty presence of your car.

## Exterior

You get more than add-ons to your car's standard equipment.  
You get more Porsche.

**[1] Sports exhaust system (not shown)**

The typical Porsche sound is powerful, resonant and sporty. Better still, it can be further enhanced thanks to the sports exhaust system featuring a modified main silencer and a specially designed sports tailpipe. The system is activated by a separate switch integrated into the lower front control panel.

Some models may require additional components. (Please see fitting and conversion instructions.)

**[2] Sports tailpipes**

Specially designed twin tailpipe in chrome-plated stainless steel. Gives a sporty look to the rear of your Boxster.

2

**Performance and everyday practicality.  
What goes for your car goes for your wheels, too.**

3

Can you imagine your Boxster equipped with one of the wheel and tyre sets from Porsche Tequipment? We can. They bring added individuality combined with a high

level of agility, as well as safety. In other words, they offer even greater driving pleasure. Keeping your feet on the ground need never be boring.

**[1] 20-inch SportTechno wheels with summer tyres**  
Set of one-piece alloy wheels optimised for low weight thanks to flow-forming technology. The 20-inch SportTechno wheels are characterised by their imposing design and size. Clearly defined lines mean that they are extremely easy to care for.

1

**[2] 20-inch Carrera S wheels with summer tyres**  
The design of the 20-inch Carrera S wheels is both dynamic and powerful – just like your Porsche.

2

**[3] 20-inch Carrera S wheels in satin platinum with summer tyres**  
Your Porsche delivers excellent dynamic performance, and so do these wheels. The 20-inch Carrera S wheels with

summer tyres and a paint finish in satin platinum emphasise the sporty character of your car and give it even more individuality. Includes wheel centres with full-colour Porsche Crest.

3

**[4] 20-inch Carrera S wheels painted in black (high-gloss) with summer tyres**  
Wheels with a high-gloss black painted finish create an imposing look. In combination with the summer tyres, the 20-inch Carrera S wheels appear even more powerful. Includes wheel centres with full-colour Porsche Crest.

4

**[5] 20-inch Carrera Classic wheels with summer tyres**  
Elegant, highly polished 10-spoke wheels with a two-tone finish. The intricate spokes provide a clear view of the Porsche brake system.

5

**[6] 19-inch Boxster S wheels with winter tyres**  
The dual five-spoke design of these wheels will accentuate the sporty appearance of your Boxster, while the winter tyres offer improved traction in cold and wet conditions.

6

**[7] 18-inch Boxster wheels with winter tyres**  
These one-piece alloy wheels are not only the ideal match for your Porsche, they provide excellent cold-weather traction in conjunction with the winter tyres.

**Note on the use of winter tyres**

Summer tyres provide optimum performance at ambient temperatures above +7 °C. Below this point, the tyre compound begins to harden and braking distances are increased. We therefore

recommend that you fit winter tyres during the colder months of the year so that you can drive your Boxster safe in the knowledge that it will continue to meet our high standards for driving safety even at low temperatures. All winter tyres

approved by Porsche are identified by an 'N' designation on the sidewall. These tyres are beneficial because they have been optimised to produce less noise, rolling resistance is reduced for improved fuel economy, and, importantly, braking

distances are shorter compared with both summer tyres and all-season tyres.

**[1] Snow chains**

Specially designed for Porsche models and featuring ultra-fine links for minimal adhesion of ice and snow. Set of two for rear axle.

Not compatible with wheel spacers.

- Compatible
  - Not compatible
- <sup>1</sup> If your vehicle documents do not contain details of the correct wheel and tyre combination, please request a technical approval certificate from your Porsche Centre. All tyres are designed exclusively for Porsche as indicated by the special Porsche designation (NO, N1, etc.) on the sidewall. Tyres that do not carry this designation are not recommended for use on your Porsche.

- <sup>2</sup> Winter tyres up to max. 240 km/h (149 mph).  
<sup>3</sup> Not compatible with 5 mm wheel spacers.  
<sup>4</sup> Compatible with snow chains if no spacers fitted.  
<sup>5</sup> Not compatible with snow chains – for winter tyres only.  
<sup>6</sup> Optional: use of 5 mm spacers on front and rear axles to widen track.

Braking distance in % (measured with the use of tyres conforming to the Porsche specification). Braking distances optimised by the use of Porsche winter tyres. Absolute values may vary.

**[1] Wheel centres**

Set of four wheel centre caps with full-colour Porsche Crest. The perfect finishing touch for any Boxster wheels.

1

2

**[2] Anti-theft wheel protection**

Set of four steel bolts with highly secure locking system.

3

**[4] Wheel spacers**

Wheel spacers create a wider track for enhanced stability and presence on the road. When fitted, your Boxster will look even sportier, as the wheels run virtually flush with the body of the car. Package

comprises a set of four spacers (5 mm) including extended standard and anti-theft wheel bolts in black with highly secure Thatcham-approved locking system.

Only in conjunction with 18-inch wheel sets.

4

**[5] Porsche Vehicle Tracking System (PVTS)**

Enables remote location of a stolen vehicle within 27 European countries as well as Russia and South Africa. Location is not continual, but occurs only in the event of an alarm. A silent alarm is

automatically triggered if the car is stolen or tampered with, or after notification from the vehicle owner. PVTS has been thoroughly tested in all of these countries to ensure that the service fully meets strict Porsche requirements. Your Porsche

Centre will be happy to provide you with further information.

Only for vehicles with optional factory-fitted preparation for Porsche Vehicle Tracking System (PVTS).

A separate contract with the service provider recommended by your Porsche Centre is required, which is subject to additional charges.

5

Something deep inside convinced you  
that this car was for you.

Tradition and innovation, performance  
and practicality, style and functionality:  
the Boxster manages to reconcile all  
of these seemingly contradictory notions.  
It is a Porsche, after all. We don't focus  
solely on the exterior when we design our  
sports cars, so why should you?

## Interior

**You have highly developed senses for a reason.**

**[1] Leather**

Leather is a traditional natural material – a true classic. Items made of leather are both timeless and hardwearing.

**[2] Mahogany<sup>1</sup>**

Mahogany is a dark, fine wood. Its fine grain gives it a very modern and elegant look.

**[3] Carbon**

Carbon is a light but highly durable material which has its origins in motorsport. Its look is the ideal complement to the car's race-bred engineering.

**[4] Brushed Aluminium**

Brushed aluminium sets clear accents and gives the interior a sporty minimalist appearance.

**[5] Alcantara**

This high-quality material is easy to care for, washable and has excellent non-slip properties.

**[6] Vehicle key painted**  
A special kind of door opener: an additional key with a painted finish. Available in selected colours.

You didn't entertain the idea of compromise when you chose your car.

So why start now?

The Boxster is the sports car amongst roadsters and offers unadulterated driving pleasure. Thanks to the child seats from Porsche Tequipment, passengers below the age of 12 need never miss out.

After an exciting drive, your Porsche deserves a rest and some care and attention. Porsche Tequipment has everything you need to tend to your Boxster.

## Transport and car care

## A phrase you won't be hearing quite so often:

'Are we nearly there yet?'

Do you still remember the first time you sat inside a Boxster? Perhaps it was on the passenger seat, or maybe it was behind the steering wheel. The feeling was indescribable. The mid-mounted engine behind you, the open sky above you and sheer excitement in front of you. Fortunately, even the youngest Porsche enthusiasts can share your enjoyment thanks to Porsche child seats.

1

### [1] Porsche child seats

Porsche child seats meet strict safety standards. Specially designed, tested and approved for Porsche cars, they provide protection and comfort to passengers up to 12 years of age. The fabrics are breathable, hypoallergenic and easy to clean with a removable and washable cover in black and grey with a contrasting red trim.

The Porsche child seats can be fixed conveniently and safely on the passenger seat using a preparation kit or the three-point belt system. For increased safety, the Porsche Baby and Porsche Junior Seat ISOFIX have an independent five-point belt system.

### [2] Child seat preparation for passenger seat (not shown)

Includes ISOFIX mounting points between the backrest and squab on the passenger seat, as well as key-operated deactivation system for the passenger airbag. The passenger airbag must be deactivated if carrying a child up to 27 kg.

**Model:** **Porsche Baby Seat<sup>1</sup>**  
**Group:** **G0+**  
**Weight:** **up to 13 kg**  
**Age:** **up to approx. 15 months**

**Model:** **Porsche Junior Plus Seat<sup>2</sup>**  
**Group:** **G2–G3**  
**Weight:** **15 to 36 kg**  
**Age:** **approx. 4 to 12 years**

The use of a child seat on the passenger seat is permitted only in conjunction with child seat preparation. Child seats must not be used with the sports bucket seats.

<sup>1</sup> Separate ISOFIX base option.  
<sup>2</sup> Also available as Porsche Junior Plus Seat ISOFIT. ISOFIX/ISOFIT is a secure and user-friendly child seat mounting system that rigidly attaches the child seat to the vehicle.

**You should never have to do without.**

**Neither should your Porsche.**

There are many things that are difficult to live without. Your Boxster is one, and so are the accessories and car-care products from Porsche Tequipment. All 100% Porsche for extra peace of mind.

**[1] Outdoor car cover**

Tailored outdoor cover in silver-coloured fabric with Porsche Crest and logo. Water-repellent, it provides excellent protection against a range of weather conditions including strong sunlight. With anti-theft protection.
